# Belma Herenda

## SOFTWARE ENGINEERING TEAM LEAD · BACKEND ARCHITECT

- 7+ Years at CHECK24
- 5+ Years Team Lead
- 11+ Years Software Engineering

**Software Engineering Team Lead** with 7+ years scaling backend squads and high-concurrency MySQL architectures at Germany's premier comparison portal **CHECK24**. Proven track record in developer onboarding ("Neue Mitarbeiter"), Agile delivery, and resilient distributed systems.

## PROFESSIONAL EXPERIENCE

### Software Engineering Team Lead · CHECK24
Oct 2021 – Present (5+ yrs)

CHECK24 Vergleichsportal · Munich, Bavaria, Germany

- **Squad Leadership & Cadence:** Lead cross-functional backend squad powering core comparison and transaction flows; established Agile/Scrum ceremonies and predictable sprint delivery.
- **Hiring & Onboarding ("Neue Mitarbeiter"):** Created structured developer onboarding curriculum, enabling new engineering hires to deploy safely to production in week 1.
- **MySQL Performance:** Architected query optimizations and composite indexing under heavy peak-season traffic; executed zero-downtime schema migrations.

### Software Developer / Senior Developer · CHECK24
Apr 2019 – Oct 2021 (2.5 yrs)

CHECK24 Vergleichsportal · Munich, Bavaria, Germany

- **High-Scale Services:** Engineered mission-critical microservices and third-party API integrations for Germany's largest online comparison portal.
- **Promotion to Lead:** Advanced from senior IC ("lone wolf") to team leader based on high architectural output, system stability, and natural peer mentorship.

### Software Developer · FORIENT LIMITED
Feb 2018 – Apr 2019 (1.3 yrs)

Remote / International

- **Web Services & APIs:** Engineered RESTful backend services and refactored core database queries to increase throughput and reduce response latency.

### Software Developer · H&H Inc d.o.o.
Feb 2015 – Feb 2018 (3 yrs)

Tuzla, Bosnia and Herzegovina

- **Database-Driven Systems:** Designed MySQL schemas, business workflows, and web applications across diverse customer platforms.

> *"Belma was one of the best developers I worked with at CHECK24. She did an excellent job making the shift in mindset from lone wolf to team leader, bringing passion, enthusiasm, energy, and integrity to her team."*
